

# SHERMAN'S

## Mentor Program

Our mentorship program is here to help you improve your skills, advance your career, and share knowledge. Now, it's not a job shadowing program. Instead, it's all about developing leadership potential so that you can thrive in your career.

### *Why Participate?*

- Pairing with a mentor at Sherman's offers guidance and fresh perspectives, benefiting both mentor and mentee.

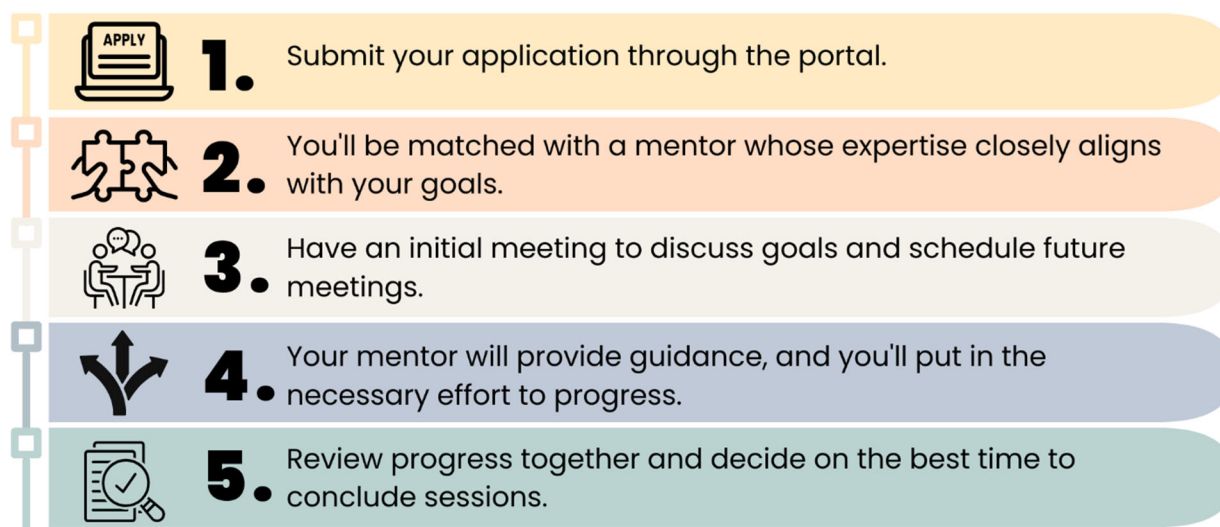

### *Who is Eligible?*

- Everyone at Sherman's, from experienced managers to new employees, can benefit from mentorship.

### *Expectations:*

- Mentors should support mentees actively, offering guidance and resources.
- Mentees should engage proactively, set clear goals, and be open to feedback and coaching.

### *What's the Process?*
